WOULD MOBILIZE THE GUARD

Adjutant General Hall Plans
Maneuvers Near Gretna.

SIGNAL CORPS TO BE ACTIVE

Report that Many Families Were
in Want in Chase County Found
to Be Wholly Without
Foundation.

(From a Staff Correspondent.)
LINCOLN, Jan. 24.—(Special.)—Adjutant General Hall is working up a proposition for the National guard this summer to mobilize several companies of each regiment at a point near Gretna and the balance of the guard near Fremont. They will then be required to move forward by company formation until they are joined later by the battalion commanders. They will then move by battalions until they are joined by the regimental commanders who will take charge of the companies and move them forward to intercept each other at some point, presumably Waterloo, where there is plenty of room for the battle which will take place.

In the meantime, details from each regiment will have secured a camp ground where tents will be pitched and everything made ready for the annual encampment. While the movements of the different armies are going on the Fremont signal corps will have their wireless at work and will endeavor to keep in communication with the different commands. When the encampment is over the companies will be sent to their several stations in Lincoln or Fremont, as the case may require.

Chase County Story Untrue.
A copy of the letter which was supposed to have been written by Henry Endley, Hiawatha, Chase county, to Postmaster Sizer of this city, which contained statements setting forth the great poverty of a number of families in that county, was at once forwarded to J. A. Piper of the State Board of Charities and Correction.

Mr. Piper took the matter up with Representative Hoffmeister of that county and received information that no such poverty existed and that he had prepared a statement setting forth the true conditions in Chase county.

From the statements of Mr. Hoffmeister, Mr. Piper is satisfied that no suffering existed which would require investigation from his department.

This morning Representative Hoffmeister sent to the office of Mr. Piper the following letter which he received from A. S. Campbell of the real estate firm of Burle & Campbell of Imperial, Neb.

Dear Doctor: Henry Endley did not write the letter, but his deposed wife did without his knowledge. Henry is going to make an affidavit about what he raised. He sold more than 200 bushels of wheat and also sold some of the finest potatoes you ever saw in this town. When he phoned yesterday he was out husking corn. Am acting on your advice on the matters. Have not time to write you more and get it in this mail. Truly yours, CAMPBELL.

KEARNEY, Neb., Jan. 24.—(Special Telegram.)—Fire was discovered in the Albert Gredler sales and feed barn early this morning and consumed the structure at a total loss of \$9,000, of which \$4,000 is covered by insurance. BURLINGTON DAMAGE
CASE IS UP ON APPEAL

(From a Staff Correspondent.)
LINCOLN, Neb., Jan. 24.—(Special.)—The Burlington railroad has appealed to the supreme court from a judgment secured in the Grant county district court by Mary A. Deering for injuries received in March, 1912. Mary Deering started to the town of Hyannis to take a train on the Burlington road, but upon reaching the depot found a train standing on the crossing. After it had stood there for twenty minutes, according to the evidence, and she had become tired waiting, the agent ordered the train crew to open up the crossing. They broke the train and opened up a space about twenty feet wide, and when she had gone partly through the train started to back up, and becoming alarmed, she jumped from the wagon and broke two bones in her left limb.

COLORADO PROGRESSIVE
PAYS VISIT TO STATE HOUSE

(From a Staff Correspondent.)
LINCOLN, Neb., Jan. 24.—(Special.)—Philip W. Motherrell, former assistant attorney general of the state of Colorado, was at the state house this morning. Mr. Motherrell was paid leave from his job for the same reason that numerous Nebraska job holders have been giving way to democrats, the state there going democratic at the last election by reason of the fact that the republicans split and gave the democrats a chance to land. The attorney general under whom he served was a progressive, but received also the republican nomination, but believing that having renounced the republican party and was supporting Roosevelt he had no

POCAHONTAS—A verdict for \$10,000 was given Mrs. Nellie De Groot, administratrix, against Pocahontas county in the district court. She sued for the death of her husband, who was killed in an automobile accident. It was alleged a defective and narrow graded approach to a bridge caused the accident.

IDA GROVE—H. G. Kramer, who came to Ida county in 1878, died at the hospital here after months of suffering from cancer of the kidneys. He is survived by his widow and four children, Alma Kramer, Mrs. C. M. Closser, Mrs. W. A. Love and E. A. Kramer, the latter being superintendent of schools at Mitchellville, Ia.

Kerr in a hospital at Des Moines may result in litigation between Ida county and the Dominion of Canada. Kerr came here from Canada last summer and was taken sick here with tuberculosis. The county authorities sent him to Des Moines for care and he died there. Canada refused to pay for his care and burial and Ida county has footed the bill.
